

DIGGING DEEPER

1) Do you feel a connection to Peter and his life? How?

2) What is your biggest failure in your own eyes?

3) Have you confessed this, laying before God and asked for forgiveness?

4) Have you felt complete redemption from this situation?

5) Is there anything that you have not confessed and gotten redemption for?

6) Do you believe 1 John 1:9? "If we confess our sins He is faithful and just to forgive us our sins and cleanse us from all unrightousness."

PRAYER

Heavenly Father,

We praise and thank you that no matter how many times we fail you, you never fail us. It is hard for us to imagine how we've hurt you, yet you never stop loving us. Please instill in us a dedication and loyalty to you that you wish for us. You are the one that loves us unconditionally and we want that same kind of love for you. We pray these things in Your name, Amen.
